## EXPERIENCE

---

**Taco Bell**

February 2023 - February 2024

*Crew trainer ← Crew*

*Pueblo, CO*

- Maintained the main assembly line by managing supplies, coordinating between crew members and cleaning the workstations
- Provided Customer service by managing the register, taking orders while making drinks and cleaning the lobby
- Managed truck refresh; organized product by date and sorted inventory

**Coldstone Creamery**

November 2021 - March 2022

*Crew member*

*Pueblo, Co*

- Handled customer requests by listening to their preferences, suggesting alternatives, and addressing their concerns
- Maintained workspace by following health code standards

**Pueblo School District 70**

September 2020 - August 2022

*Electronic Repair assistant*

*Pueblo, Co*

- Salvaged components from recycled units by reassembling into functioning machines
- Documented diagnostic steps by recording observations of damaged parts and associating those with serial numbers of salvaged, new, and reused parts
- Networked the school library media station by creating CAT5e wire runs from each computer to a switch verified by using a RJ-45 tester
- Reimaged Apple MacBooks, installed system management and remote access tools to new user configurations
- Tested components in the network such as printers, smart boards, school computers, and audio systems
